Melange

Celebrating the authentic charm of handmade ceramics, the Mélange collection reimagines the classic 100x100mm tile with a fresh contemporary edge. Inspired by materials rich in history and craftsmanship, Mélange blends tradition with modern design to create a surface full of character and visual interest.

The glossy glazed finish enhances colour depth while subtle tonal variations bring each tile to life. With almost infinite pattern movement across every shade, Mélange delivers a vibrant, dynamic surface that plays beautifully with the tile's clean square form.

Available in nine expressive colours: Acquamarina, Beige, Bianco, Bordeaux, Glicine, Kaki, Nero, Oltremare and Teal. Mélange offers a versatile, design-led solution perfect for splashbacks, feature walls and statement interiors seeking a handcrafted aesthetic with contemporary personality.
