FLOORS
MADE IN AUSTRALIA

WALL
MADE IN THAILAND

A recent addition to our advanced tile technology collection is our Australian-made Kierrastone range. Identical to the natural look of concrete, this range is suitable for both internal and external floor applications, including wet areas. Kierrastone is available in four colourways – ash, charcoal, grey and white – and comes in a variety of sizes as well as matt or textured finishes. This range complements modern, contemporary, industrial and minimalist styles.
