

# HIGHLIGHTING the Mars range

Beige, Cinder, Graphite, Light, Mars is a many-coloured and complex stone that bears the traces of the ages and reveals to us the simplicity with which Mother Nature creates masterpieces.

We reproduced the stone in its natural colours, preserving the design and the surface to be able to bring it to our homes in all its purity. Mars envelopes us in well-being and harmony as only uncontaminated nature can do.

Cherished aesthetics, perfect in ergonomic and modular sizes. It offers excellent technical characteristics and absolute usability.
